'what is the difference between late antiquity and

May 25th, 2020 - Generally in European history, we talk of the medieval, the early modern, the modern, and the contemporary. We sometimes refer to early and late medieval when trying to narrow it down because it is a long period before the medieval, we have the classical period and the post-classical period. From antiquity to the middle ages, the medieval Jewish community lived under the authority of a set of decrees (taqkanot) enacted locally but sometimes widely. The most ancient regulate the Shmirah, obsolete since late antiquity, reappeared in the second half of the 14th century probably due to the..."
